

Supported Systems for Digital Banking

We have an ongoing commitment to making digital banking products easy for all customers to use, including those with disabilities. We support the following operating systems, browsers, and screen reader combinations and recommend for use as a minimum when accessing Digital Banking from personal computers, tablets, and mobile devices:

Machine	OS	Version	Browser	Version	Screen Reader
PC	Windows	10	Firefox	55	JAWS 17.0.2729
PC	Windows	10	IE11	11	JAWS 17.0.2729
PC	Mac, Sierra	10.12.6	Safari	11.1	VoiceOver
Android Phone	Android	7	Chrome		Talkback
iPhone	iOS	11.3	Safari		VoiceOver

While other operating systems, browsers, and screen combinations may work, they may not interface optimally with Digital Banking.

If assistance is needed or you have concerns, please contact us at 800-638-5308.

Other System Settings:

Unless otherwise noted, the following settings and plug-ins are required to properly access our web-based solutions.

- **Cookies** Enabled (first- and third-party)
- **JavaScript** Enabled
- **Minimum Screen Resolution** 1024 x 768 pixels
- **PDF Reader** Compatible¹

If you would like step-by-step instructions on recommended browser settings, please contact us.

¹ Any compatible PDF viewer will suffice. For some operating systems, e.g., Mac OS X, and for some browsers, e.g., Google Chrome, PDF viewing capabilities are available out-of-the-box without the need to install additional software. If a native PDF viewer is not available for a user, you can recommend popular PDF viewers such as Adobe Acrobat Reader.
