

Online Statement Disclosure and Agreement

Farmers & Merchants Bank

This disclosure and agreement contains important information about Farmers & Merchants Bank's ("Bank") Online Statement service. You may wish to keep a copy of this disclosure for your records. The disclosure is also available at fmb-ebank.com. Before providing your consent to this agreement, please read and consider the following information.

This disclosure and agreement is in addition to the Online Banking Disclosure and Agreement previously provided and it does not supersede or replace it.

Online Statements

Online Statements is a free service that is available through Online Banking. It will allow you to view your account statements in an electronic format and it will replace your paper statement that you are currently receiving. You have the option to switch back to paper statements at any time.

Online Statements are available for checking accounts, savings accounts, and money market accounts.

Verify Statement and Information Accessibility

Federal law states that, prior to the Bank being able to deliver information electronically, you must be able to demonstrate that you will be able to access information in the same electronic format as the information to be delivered or provided. In the process of retrieving your first statement, our Online Banking system will help you meet these requirements—just follow the prompts.

Online Statement Delivery

Our Online Statement product is easy to use. Simply login to Online Banking and navigate to Online Statements. You will be able to view, print, and save your statements.

Consumer Account Disclosures

You agree that you will obtain the Electronic Funds Transfer Disclosure located on our website at fmb-ebank.com prior to accessing an online statement. The Electronic Funds Transfer Act requires that we provide you with a disclosure that describes our electronic services.

Changes in Terms

We may change the terms of this Agreement at any time without prior notice to you. All changes will be effective upon the posting of the revised Agreement or disclosures. You can find this agreement on our website at fmb-ebank.com.

If changes made may impact your ability to access any service, we will notify you. At that time, you will be given an opportunity to withdraw any prior consent to receive information electronically.
